

REMARKS

In this Preliminary Amendment, Applicants amend the Specification to add a reference to parent Application No. 09/492,780, of which this application is a divisional and from which benefit is claimed under 35 U.S.C. § 120. Applicants also cancel claims 12 – 20, without prejudice of disclaimer of their subject matter, to present previously non-elected claims 1 – 11 for prosecution.

Applicants reserve the right to pursue other non-elected inventions from the parent application in subsequent divisional applications.

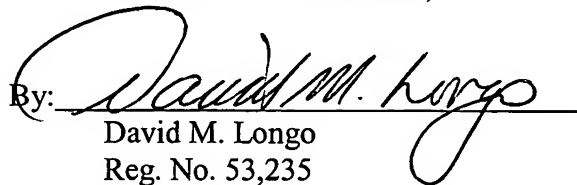

Prompt and favorable examination of this application is earnestly requested.

Please grant any extensions of time required to enter this paper and charge any additional required fees to our deposit account 06-0916.

Respectfully submitted,
